

Winter Retreat in Ireland Awaken to Love

with Messenger of Peace
Jenny Fagerstedt
and Greg Donner

BISHOPTOWN, CORK
DECEMBER 11 - 16, 2014

An intimate retreat to unwind and prepare your mind for Christmas! This retreat will look at the real meaning of "letting go my will" and "Thy will be done." *A Course in Miracles* states that we have made up an ego for ourselves and one for everyone else. We have also made one for God and have forgotten how to truly surrender and accept our birthright; Peace of Mind and Happiness.

Jenny and Greg are devoted to present peace of mind and awakening from the dream of separation from God. They have experienced living the teachings of *A Course in Miracles* for several years. Their loving presence provides a safe place for hearts to open and questions to be answered. They are available for gatherings, retreats and visits throughout Europe.
