Sat July 13th 2012 contact colin@awakening-mind.org for info

The Extension Center is a residential property owned and supported by the non-profit Foundation for the Awakening Mind. Community members have devoted their lives to a shared purpose of awakening. The focus is on forgiveness, as taught in "A Course In Miracles", Self responsibility (taking full responsibility for one's own state of mind), listening and following the Guidance of the Spirit, and full and open communication. We use collaborative and prayerful projects as a backdrop for healing the mind and experiencing the freedom and joy of the present moment.

Weekend Movie Retreat

Jason, Nikita and the Awakening Mind team invite you to our weekend movie retreat where we focus on Awakening through the movies. During this retreat we will take the Journey through the Darkness to the Light and gently lift the blocks that prevent you from hearing the True Call of Your Heart, which is always Love and Joy. The intimate setting of our center is designed to let the mind drop into the place of allowance, complete safety and relaxation where everything is completely welcome just as it is without any restrictions. We will explore movies such as "Ruby Sparks", "Argo", "Angel A", "I am David", and more, to dive into the deeper meaning behind them with the intention of expanding and healing the Mind to receive the Gift of Innocence.
