

Living Miracles

Into The Presence - Gatherings in Mexico.

Having worked with *A Course in Miracles* and trained her mind for many years, Jenny has reached a state of true contentment and peace. There is nothing to attain or to understand or to do in this world. There is only one goal; present Peace of Mind. This she extends everywhere she goes.

Join with Jenny and friends to receive the gift of deeper presence, clarity and healing in your life.

Take this opportunity to ask what's on your heart to experience the healing, pure joy and love pointed to in the wonderful teachings of *A Course in Miracles*.
