

THE AWAKENING MOVIE FESTIVAL

in Madison with Jason Warwick
& Jackie Simpson

THU. JULY 31st, 6:30PM - 9PM

Join us Thursday night for a fun adventure through the mind with Hollywood! We will explore themes of Worthiness, Limitlessness, Accepting what is Given and Holy Relationship as taught in A Course In Miracles, using the movies: This way allows the mind to take a fresh new look at the "Ancient Principles" originally taught by Jesus.
