

LIVING MIRACLES 'SATSING MUSIC TOUR'

WESTERN CANADA & US - SEPTEMBER 2013

Join in the experience
beyond the words...
with Kirsten Warwick,
Erik Archbold, and
Laura Schopen

Music is a pathway to God. Whether we play an instrument, sing, or just listen with a heart wide open, it is a way of becoming one with the experience and losing awareness of everything else - including all sense of a separate self. No wonder we love music so much!

Inspired by the deep teachings of A Course in Miracles and David Hoffmeister, the essence of our 'Satsing Music Tour' is the Presence - the experience of God beyond the words. Laura, Erik and Kirsten join together in prayer and experience a joy and an inner peace that expresses itself 'through them' using music and words.

We are offering evening "satsings" as well as 1-3 day retreats ("satsing" is a playful twist on the sanskrit word satsang, meaning "in the company of the Highest Truth"). Longer retreats include satsings as well as experiential music sessions, metaphysical movies and discussions.

Events scheduled so far:

- Evening satsing gathering - **Great Falls, Montana**
- Weekend retreat at the Canada Devotional Center - **Longview, Alberta**
- Day gathering & satsing - **Vancouver Island, B.C. Canada**
- Gatherings in California**
- Weekend retreat - **Los Angeles, CA**
