

Living Miracles Monastery

Month-Long Silent Retreat

Jan. 4th through Feb. 1st 2013

with

David Hoffmeister and the Messengers of Peace

This month-long silent retreat is an invitation to live in community while sharing in a deep experience of silence and inner listening. It is an opportunity to deepen our sense of trust in Spirit, and rest in the innocence and joy of our devotion. Inside the silence of your heart there is an open doorway. As we slip through this doorway to forgiveness, we enter into a peaceful presence. Time devoted to deep contemplation and prayer is what allows the mind to open and be healed. As Jesus states in ACIM, "Prayer is the medium of Miracles." It is a dropping into the deep silence of our heart. The mind filled with its own ideas of what makes it happy is the dark covering over our inner radiance that is always present. Taking an extended period of time to remember this presence is a worthy use of time.

The retreat will include options for intimate conversations in the chapel with the Messengers of Peace, as well as Spirit-inspired movie sessions, guided meditations, and music to gently support the release of blocks to the experience of Love's presence.

If you feel inspired to come but not for the full month then contact Suzanne about optional lengths of stay.
