

RETREAT ~INTO THE STILLNESS~

ALOZAINA, SPAIN
SEPTEMBER 20-22, 2013

Reveal the Light Within

Come and experience living miracles at our end-of-summer retreat in beautiful southern Spain. The retreat is an experience of sinking into the graceful ease of being. Sharing and being together is the natural way to welcome the Light-ness Within. The Spirit is orchestrating this retreat and we feel there will be sessions of sharing and experientials as well as meditations and a satsang. Come to our community in Alozaina for an intimate experience of peace and joining! We look forward to seeing you here.

Much Love,
Jenny and the Living Miracles Spain Community
